Narration	Avery and Kathy was sitting in Waffle House at 10:00 AM having breakfast with their mutual friend Donovan. Some men at the opposite table started making comments about Kathy. Avery asked the men to please leave her alone, they were just there to have a decent breakfast. One of the men, Darius stood up, at that time Donovan stood up to confront the man. Darius swung and hit Donovan in the nose. The security guard stepped between the two men and grabbed Darius and held him until the police arrived. The group of men at the other table left the restaurant. Darius was arrested for assault.  The manager called 911 for assistance.
